DIVE INTO THE WORLD OF *Pool Construction*

Industry Immersion Event at Neuman Pools

Experience the Pool Construction Industry Up Close

Join fellow students for a behind-the-scenes look at how world-class pools are designed, built, and maintained — from local community projects to luxury resorts.

What You'll Do:

- ✓ Tour the facilities & yard — see the tools, equipment, and materials that make projects happen
- ✓ Explore hands-on activities — try out tools used in real pool construction (safe, supervised demos)
- ✓ Learn about career paths — construction, design, engineering, service, and more
- ✓ Meet the experts — hear from Neuman Pools team members about their work and career journeys
