## Partnership

Destinations Career Academy and CESA 6 have entered a partnership agreement to offer online pathway-specific courses to supplement your district's course offerings at a reduced rate.

## Materials to Succeed

All materials necessary for success in Destination coursework is provided...right down to the laptop. Some courses provide additional hands-on experiences.

## Cost Per Course

\$350 per seat per semester course as compared to approximately \$750 per Part-Time Open Enrollment course cost. You will be billed directly from DCA for your enrollment.

## About Destinations

Destinations Career Academy of Wisconsin is an innovation, career, and college readiness school providing high-quality instruction and experiences for students across the state of Wisconsin. Students are taught by certificated instructors and will receive a high school transcript for their part-time enrollment.
